RE: 2014 In-Kind Donation

Dear Board Members:

Children's Hospital of Wisconsin, a member of Children's Hospital and Health System, is one of the busiest and most highly rated pediatric health centers in the country. We provide care in every medical specialty, from intensive care for premature infants who fit in the palm of a hand to outpatient cancer programs for independent young adults. We strive to provide the best medical care, pediatric research, education and advocacy to serve the needs of children and their families.

With your in-kind gift of gently used clothing to the Emergency Department to benefit the clothes closet, you have played a significant role in the care we provide. For this, we thank you and the kids thank you, too.

We appreciate your generous donation and your involvement in making our clothes closet a success. If you have any questions, please contact me at (414) 266-2003 or lmarquardt@chw.org.

Sincerely,

Lisa Marquardt
