Dear Members of GEA:

Please accept our sincere thanks for your generous monetary donation toward this year's Greendale High School Post Prom event, held this past weekend.

Because of donors like you, we were able to host a fun-filled, well-chaperoned, alcohol-free event for about 150 students, representing about 50% of total Prom goers! The Post Prom event was held at StoneFire Pizza Co. in New Berlin, where we provided unlimited food and soda, raffles, music, movies, games and attractions.

Rest assured your donation went a long way in providing a safe environment for the kids to continue celebrating Prom with their friends in a responsible way.

Greendale High School students, families, and Post Prom Committee members thank you for your continued support.
